In the 1980s a killer stalks the streets of South Los Angeles. Task forces are assembled, detectives work overtime, but the bodies keep coming. This is the story of a community college professor who believes there's more to the story than a single madman. From writer Patrick Kindlon (Frontiersman, Nobody Is In Control, We Can Never Go Home) and your next favorite artist Lorenzo Re, Leaded Gasoline captures the mad energy of the most brash and risk-taking horror comics that are smart, dangerous, and intent on taking a sledgehammer to your mind. "Inspired by the killings in Los Angeles known as the 'Southside Slayer'... in this story, police are aided by a college professor, a single father trying to care for his son." —THE NEW YORK TIMES

For readers 16+

BY BREEZE HU

Full Color / 100 pages /
$15.00 / 6.7 x 9.5 in /
Softcover
FOC Date: 8/28/24

A tired salesman and a grieving girl meet by chance in a desert, each of them lost and alone in their waking dreams. Fate - or something like it - brings them together to navigate the maze-like city of Lynbo and unravel the truth of the past that's haunting them.

A Night Ride to the Day is a magnificently kaleidoscopic comic by artist Breeze Hu that invites us to join teenage girl Dizzy and middle-aged man Salesman on their feverish late-night journey through a seemingly stuck in time labyrinthine city of lights and distractions in the hopes of finding answer to the question "why continue?". A Night Ride to the Day is a surrealist drama about coming to terms with one's life and the world around them is reminiscent of stories like Drive My Car by Ryusuke Hamaguchi and Takamasa Oe as well as works by Satoshi Kon.

COVER B

IN 1897, NEWSPAPERS WERE REPORTING STRANGE SIGHTINGS ALL ACROSS THE MIDWEST: MYSTERIOUS AIRSHIPS COVERED IN LIGHTS AND FASTER THAN ANY KNOWN DIRIGIBLE AT THE TIME.
OUR PARENTS TOLD US THE STORIES WERE HOAXES MEANT TO SELL PAPERS.
BUT THAT DIDN'T STOP MY SISTER FROM SNEAKING OUT TO SCAN THE SKIES AT NIGHT.
OF COURSE, WANTING TO DO EVERYTHING MY SISTER DID, I'D CRAWL OUT TOO.
QUIET, BETH! YOU'LL WAKE POPPA!
ONE NIGHT AS I WAS DOZING ON HER SHOULDER, MELANIE NEARLY KNOCKED ME OFF THE ROOF TO POINT AT WHAT LOOKED LIKE A STAR- AND IT WAS MOVING!
MY SISTER WAS OFF THE ROOF AND RUNNING SO FAST MY LITTLE LEGS COULD BARELY KEEP UP.
HURRY, BETH! IT'S GOING NEAR THE STREAM!

IT WAS THE MOST DAZZLING, INCREDIBLE MACHINE I HAD EVER LAID EYES ON.
THERE WAS A BUCKET BEING LOWERED TO DRAW UP WATER AND MELANIE SPIED HER OPPORTUNITY.

HELLO UP THERE! ANY TIME TO GIVE A PRETTY GIRL A TOUR?
SHE WAS A SHAMELESS FLIRT WHEN IT CAME TO GETTING THINGS SHE WANTED.

MELLY, DON'T GO UP THERE!
WHEN A MYSTERIOUS MAN CALLED BACK AND DROPPED A LADDER, I WAS NOT NEARLY AS FEARLESS AS SHE SEEMED TO BE.

BUT NO ONE IN THE WORLD COULD HAVE CONVINCED MY SISTER TO STAY ON THE GROUND THAT NIGHT.

ESPECIALLY ONCE THE LADDER WAS LIFTED.

MELANIE??? COME BACK???

MELANIE!!!
MY PARENTS ALWAYS THOUGHT MELANIE WAS KIDNAPP ...MAYBE MURDERED.

BUT THEY NEVER BELIEVED THE STORY I TOLD THEM ABOUT THE AIRSHIP THAT ABDUCTED HER.

FOR YEARS, I ALL BUT GAVE UP HOPE OF SEEING MY SISTER AGAIN. THEN IN 1903 A NEW INVENTION CAME ALONG THAT CHANGED EVERYTHING...

...AIRPLANES!

LADIES AND GENTLEMEN, MAY I PRESENT THE FIRST WOMAN TO DRIVE ACROSS THE COUNTRY IN AN OVERLAND AUTOMOBILE:
LADY DRIVER, ELIZABETH SCOTT!

HOW DOES IT FEEL TO BE A WOMAN IN THE DRIVER'S SEAT?
IT FEELS FANTASTIC, BUT I DIDN'T COME HERE TO TALK ABOUT DRIVING AUTOMOBILES.

I WANT A SHOT AT DRIVING THAT!

IF A WOMAN GETS HURT IN ONE OF MY PLANES IT WILL BE BAD PUBLICITY.
THEN LET HER DRIVE IT ON THE GROUND LIKE A CAR! GOLDSTEIN AND OVERLAND BOTH GET THE PUBLICITY. IT'S A WIN-WIN!
WILLIAM GOLDSTEIN, CHIEF ENGINEER OF GOLDSTEIN AVIATION, WAS NOT TOO KEEN ON A WOMAN FLYING HIS PLANE, BUT AS I WOULD COME TO LEARN...

FINE.
...HE WAS A WEE-BIT OF A PUSHOVER.

JUST GO SLOW AND STEADY TO GET USED TO HER.
I PUT A BLOCK UNDER THE THROTTLE TO KEEP YOU FROM GAINING ENOUGH SPEED TO LIFT OFF.
TRY AS WILL DID TO KEEP ME ON THE GROUND...

...IT WAS A GUSTY DAY IN HAMMONDSPORT, NEW YORK...

...AND I GUESS THAT ENGINE BLOCK FELL OFF.
BONK

I WENT 25 FEET INTO THE AIR TO BECOME THE FIRST AMERICAN WOMAN PILOT!

HOW WAS THAT, COACH?

DO YOU THINK WE WILL SEE MORE WOMEN FLYING GOLDSTEIN AEROPLANES?

WELL, I WOULDN'T-
THIS WOMAN WILL DEFINITELY BE PILOTING GOLDSTEIN PLANES FROM NOW ON!

THEN.
WE'VE MADE UP OUR MINDS. WE'RE GOING BACK TO PAKISTAN.
I KNOW, AMA TOLD ME. SHE DOESN'T SEEM OK WITH IT THOUGH.
YOUR MOTHER IS HAVING A HARDER TIME WITH IT. BUT SHE AGREES, IF WE'RE NOT SAFE, WHAT ELSE MATTERS?
I GET IT. I DON'T HAVE TO LIKE IT, BUT I GET IT.
I'D ASK YOU TO COME WITH US, BUT I KNOW WHAT YOU'LL SAY.
IS THERE ANYTHING I CAN SAY THAT CAN CHANGE YOUR MIND?
YOU TALK LIKE THIS IS GOODBYE! IT'S NOT GOODBYE. YOU'LL VISIT.
YEAH. OK.
I JUST--I WANT YOU TO KNOW--YOU'VE ALWAYS BEEN THE PERSON I TURN TO. FOR GUIDANCE.
THE HUSBAND-- THE FATHER I AM--IN SO MANY WAYS, I'VE TRIED TO DO IT LIKE YOU WOULD. WELL, NOT EXACTLY LIKE YOU, BUT--I GUESS WHAT I'M TRYING TO SAY IS--
WAIT--
IS THAT-- SMOKE?

NOW.
THINGS WERE DIFFERENT THEN. NOW EVERY DAY IS THE SAME.
I MAKE IT THE SAME.
THIS PLACE HAS MY BODY, BUT IT DOES NOT HAVE MY MIND.
I AM SALIM-- THAT IS WHO I AM. THAT IS WHAT I AM.
A HUSBAND. A FATHER. THAT IS-- WHERE--I AM. RIGHT NOW...

WE ARE STARTING OUR MORNING. THE SAME WAY WE ALWAYS DO--
TO THE SOUND OF MY SON CALLING FOR HIS ESCAPE.
I HUG HIM TIGHT. A LITTLE TIGHTER THAN I USED TO, BECAUSE I KNOW WHAT'S COMING.
BUT I PUT THAT OUT OF MY MIND. NEED TO STAY PRESENT IN THIS MOMENT.
REMEMBER THAT THIS IS WHAT I AM.

A HUSBAND. A FATHER.
MORE THAN WORDS. THEY ARE PURPOSE--WITH NO PLACE IN HERE TO PUT IT. SO I RECREATE--THOSE MOMENTS THAT DEFINE A PURPOSE...
GET DRESSED FOR WORK.
WAKE UP. START THE COFFEE.
HOME

EAT A HEALTHY BREAKFAST.

BETTER.

MUCH BETTER.

GOD, I MISS THIS.
HAVE TO HOLD ON TO THE MOMENT. BECAUSE ANY SECOND NOW--

EEEEEEEEEEEEEEE
YEAH.
TIME TO GO TO WORK.
THAT'S WHERE THE FANTASY BREAKS DOWN.
WHEN THEY PUT US TO WORK, YOU HAVE TO KEEP YOUR HEAD IN THE MOMENT. IF YOU DON'T, YOU'LL LOSE A FINGER.
OR A HAND.

TERRY AND THE PIRATES: THE MASTER COLLECTION, VOL. 9—1943: TERRY EARNS HIS WINGS

Writer/Artist: **Milton Caniff**

The saga continues in *Terry and the Pirates* Volume 9, reproduced from Milton Caniff's personal set of color syndicate tabloid proofs!

Flip Corkin schools Joe Jitsu in good ol' American know-how before he schools Terry about the ins-and-outs of being a fighter pilot. The October 17th Sunday page—as Terry earns his wings and Flip delivers "The Pilot's Creed"—is so powerful it was read into the Congressional Record. Before that can happen, wily Rouge abducts Taffy Tucker and gives her amnesia before slipping away! Taffy is in safe hands, however, when she falls under the wing of Connie, Big Stoop, and Navy Lieutenant Pat Ryan! Taffy's reunion with her memory and with Flip coincides with the arrival of Flight Lieutenant Tote Bonny and Grett Murmur, while Terry investigates the French Captain Midi, whom some find almost—hypnotic.

This tabloid-sized Volume 9 containing the 1943 dailies and Sundays is an unparalleled upgrade that no Terry fan can afford to pass up.

Acme Novelty Datebook: Volume Three

CHRIS WARE

The third and final installment of the artist's facsimile sketchbook series

After over fifteen years deferral, delay and dawdling, the ink-and-paper cheerleader F. C. Ware finally succumbs to imaginary public pressure by concluding his tiresome experiment in reader trust with the third and final volume of secret notebooks and sketches spanning over thirty-seven years of bus rides, airport delays, and telephone hold music.

Exquisitely crafted fine art doodles, hand-selected meanderings, and artisanal rewritings of personal conflict are scattered throughout comic strips unconsciously revealing private hostilities and unflattering portraits of public transportation riders, the whole carefully cleansed of any impugnable or litigious tracery. As a professional adult-picture-book drawer and regular contributor to the *New Yorker*, Le Monde and the Illinois Cook County Assessor's office, Mr. Ware's work in these pages secures his reputation as an reliably unreliable self-narrator, willing to say or write anything to win petty disputes and imagined squabbles.

208 full-color pages augmented by annotations, introduction, and a professional apology, with paper boards and cloth spine of misleading demureness to conceal its native prurience.

Q & A

ADRIAN TOMINE

Everything you wanted to know about storytelling or Adrian Tomine but were too afraid to ask

"That would've been too easy and spontaneous for me, and I had to find a way to make everything more complicated."

And yet for over thirty years, bestselling author, screenwriter, and *New Yorker* cover artist Adrian Tomine's work has set the standard for contemporary storytelling. With Tomine, his readership has grown from the dedicated following of his comic-book series *Optic Nerve* to include a wider but still engaged, opinionated, and ever-inquiring public. And now, for the first time in print, Tomine responds to his readers directly, tackling their questions and comments with generosity, humor, and vulnerability.

Q & A is one part personal history, one part masterclass in crafting quality entertainment. With questions pulled from his time at the Substack Writers' Residency, and with additional, new material, *Q & A* is an indispensable addition to the collections of eagle-eyed fans and aspiring artists, writers, and cartoonists alike.

Tomine answers questions about his preferred tools, his creative process, the ups and downs of adaptation, and perhaps most importantly—how to pronounce his last name. Illustrated with drafts, outtakes, and photos from the artist's personal collection, this rare peek into the mind of a contemporary cartooning giant lays out the method to his meticulous brand of madness. The artist looks back on his career in response to queries from his—maybe adoring but mostly curious—public with his signature dry wit and unflinching, self-deprecating honesty.

INTRODUCTION

For almost thirty years now, I've had the unbelievable privilege of not only putting artwork out into the world, but also receiving feedback—mostly in the form of cards and letters—from a very engaged, thoughtful, and opinionated audience. I've spent most of those thirty years working alone, hunched over a desk in the corner of a bedroom. And while that admittedly sounds pretty grim and isolated (especially as I type this sentence, hunched over a desk in the corner of a bedroom), it's never felt that way. In fact, I often think of my career as a decades-long conversation between myself and an amorphous, mostly anonymous group of people who are for some reason drawn to my work.

The correspondence I receive is generally a mix of generous praise and ruthless critiques, as well as many, many questions—often concerning tools, process, career advice, and an array of other surprisingly random and/or personal topics. Sometimes it's uncomfortable,

and occasionally it's genuinely confounding. In any case, it still means a lot to me to know that someone is responding to something I made, and it's no exaggeration to say that this feedback has affected me and my work immensely.

From 1995 to 2015 I published what I considered the most interesting of the incoming mail in each issue of my comic book series *Optic Nerve*, but I also made an effort to respond to people directly, usually with a handwritten postcard. My responses weren't particularly eloquent, but I wanted to at least acknowledge the letter-writer's interest and effort. For many years, my Sunday afternoons were devoted exclusively to this undertaking.

But things have changed. It's been a while since I've published an issue of *Optic Nerve*, and I'm not sure when I might do so again. People are generally less inclined to write letters and postcards these days, and I've been stubbornly resistant to opening a direct line of email correspondence. Most significantly, I've gotten busier, both with work and family life. (It turns out Sunday afternoons are different when you have kids!*) In recent years, my p.o. box has become mostly a vessel for political campaign flyers, shipping supply catalogs, and books in search of a blurb. For better or worse, most of the comments and queries from readers now come to me via Instagram. And to tell the truth, I have not been able to keep up with my mandate to respond to everyone—certainly not with the level of detail and insight I once strived for.

When my publisher and I began discussing this book, I thought of it as an opportunity to get back on track. The question-and-answer format initially developed as part of a "writer in residence" job that Substack offered me in 2021, and the interactive premise felt like a natural extension of those old *Optic Nerve* letters pages. My aim was to address the most common questions I've received over the years, and to do so with a greater level of

*See back cover.

attention than I'm usually able to provide while quickly scrolling through the messages on my phone. But I also wanted to include some of the less common questions, and basically, to avoid the typical tone and scope of a professional, journalistic interview (of which there are plenty to be found online). So we put out a call for questions, I answered them to the best of my ability, and this book is the result.

Thanks to everyone who participated, and thanks to anyone who has sent me cards, letters, or packages over the years. Contrary to the weird, uncomfortable affect I might present at a book signing (or, really, in any kind of face-to-face interaction), this connection, in all its forms, means the world to me. When I'm honest with myself, it was the reason I started all of this in the first place.

Q: *When looking at your Instagram posts that show your process of work, it would appear that you use blue pencil for sketching, ink over that, then color digitally. Why do you start traditional, then transition to digital?*

A: I'm happy to answer this question, but as with my previous response, I intend this only as an explanation of my personal working methods, not as any kind of prescriptive advice. But you're absolutely correct about my process for creating color images. It's something of an analog/digital hybrid, in which I draw all the artwork with ink on paper, and then I create the color digitally (with a weird combination of Photoshop, Illustrator, and InDesign).* Here's an example from a recent illustration for *The New Yorker*.

* Credit where credit is due: this method was taught to me decades ago by John Kuramoto, and it's a testament to his prescience and perfectionism that I've never found a reason to depart from his original instructions.

You might be wondering why, in the 21st century, am I still drawing on paper? The simplest explanation is that I enjoy working with pens and pencils and paper, and for whatever reason, I find working on a computer to be a physically-taxing, eyeball-straining chore. Creating the line art is the most time-consuming part of the illustration process, and I prefer to spend those hours hunched over my drawing board rather than staring into a screen. Also, over the years I've learned to draw in a physical, tactile way. The sensation of pencil, pen, and brush on paper is deeply embedded in my technique, and I delight in the unexpected marks that come from a slightly dry brush

or a worn-down nib. I like being able to rotate the paper so that I can find the perfect angle for pulling a brush across the surface. As odd and fetishistic as it may sound, I enjoy making corrections by scratching away dried ink with an X-acto knife or brushing on just enough layers of semi-transparent white paint. I know, I know…this can all be digitally replicated with incredible ease. Probably true, so let's just say it's an eccentric personal preference/mental illness and leave it at that.

So then why do I create the color on a computer? This choice is based entirely on the end results I'm trying to achieve, as well as the current printing technology that's used to reproduce my work. I want my artwork to have flat, mechanical-looking color, like the comics and illustrations I grew up studying. It might be different if I was aiming for a modeled, painterly result. In that case I could apply watercolor directly onto the line art. But ironically, a computer is the best tool for me to emulate the look of coloring that was created in the pre-digital era.

A few last thoughts about all this. Aside from the matter of personal preference, I think it's worth mentioning that drawing on paper results in tangible artwork that can be exhibited and sold. I know that sounds like I'm stating the obvious (let's spare ourselves any discussion of NFTs

for now), but it's something to consider. At the risk of sounding gauche, I think it's important to share that I've made far more income over the years from selling original artwork than I have from publication fees, advances, or royalties. If money's not a concern for you, or if you have a regular job and you're just making comics as a hobby, then don't worry about this. I understand that sometimes you need to just get the pages drawn, in as quick and easy a way as possible. But I can tell you that as a full-time cartoonist/illustrator with a family, art sales have completely saved my ass (and by extension, my family's asses) innumerable times over the years.

Adam Baumgold Gallery, November 18, 2018

Also, I got to bring my dad to a gallery show of my work here in New York before he passed away, and that's an experience that means more to me than any time I might've saved by drawing on a screen.

Yokai: The Art of Shigeru Mizuki

SHIGERU MIZUKI

Manga's most beloved creator ventures into Japan's mythical past and emerged with an exquisitely lush menagerie of Yokai folklore

Shigeru Mizuki is no stranger to the supernatural and its portents. *Kitaro* and *Tono Monogatari* reimagined the obscure folktales of his youth, bringing them to life with whimsy. Mizuki the cartoonist certainly left an indelible mark on comics as world literature. Mizuki the fine artist, on the other hand, rounds out the full scope of his fascination with the otherworldly and fantastic, bringing these worlds to life in robust color.

Yokai: The Art of Shigeru Mizuki showcases his expertise of not only folklore, but celebrates him as a naturalist. Elements of Mizuki's lush compositions—flora, fauna, and everything in between—showcase his mastery of form and love for nature. These popular renderings of a disappearing, rural Japan are his contribution to the preservation of a cultural heritage that would have otherwise been forgotten. The grotesque realism central to his body of work is offset by the ingenuity of his fancy for the macabre. Pieces in this deluxe, full-color edition call to mind the playful pop-sensibility of Maurice Sendak informed by the technical prowess of traditionalists like Dürer and Doré. And like any other Mizuki classic, each oeuvre is a unique snapshot of spirit, human or otherwise, in constant transition.

Yokai: The Art of Shigeru Mizuki includes supplementary writing by acclaimed Mizuki scholar and translator Zack Davisson.

GARAPPA

Garappa are a species of Kappa that live on the southern islands of Amami Oshima and Tokara. They have a thin body and long arms and legs. When they sit, their knees are higher than their heads. They have a plate on their heads, and are constantly drooling, giving them a fishy smell.

They live in the rivers in spring and the mountains in autumn. If you're wandering a mountain trail and suddenly get lost, or hit your head on a tree, or have a sudden stomachache, get dust in your eyes, or hear strange noises—it is the work of Garappa. That's why in the mountains you must not speak ill of Garappa. It's said if you wear sandals you are safe, but if you walk barefoot the Garappa will hear you and take vengeance.

Other tales claim befriending them will bless you with huge catches of fish. Garappa have more magical or divine powers than ordinary Kappa. This is probable, as they are more similar to mountain kami and primitive deities.

AMABIE

In 1846, a glow appeared every night off the shores of Higo (modern-day Kumamoto Prefecture). When a local official investigated, a creature was there who introduced itself: "My name is Amabie. The next six years will be a time of abundance. However, should illness arise, show my picture to as many people as possible!" Its prophecy having been spoken, the Amabie sank again into the sea.

There are many different kinds of prophetic yokai, such as the mermaid-like Jinjahime and the Kudan who is born from a cow. Amabie is most likely related to them. A creature that comes out of the sea to deliver a prophecy is more like a kami than a yokai. Perhaps we should call them shinkai instead, meaning sacred mysteries.

GASHADOKURO

When the resentment of the unburied dead in the fields gather together, they form a gigantic monster called Gashadokuro that only appear at night. Known by their rattling sounds, they attack anyone they find.

Although not a Gashadokuro, there is a similar story in the *Nihon Ryoiki*. In late December of the ninth year of Hoki (778 AD), as the sun was setting on a field in Bingo, Oyama, Ashida district (modern-day Hiroshima), a man heard a voice complaining about sore eyes. The next morning, he looked around and found a skull with bamboo shoots growing from its sockets. Thinking this might be where the voice came from, the man pulled out the bamboo shoots and offered it some rice. The skull began to share his story, that his uncle killed him and left him in the field. As time passed, bamboo shoots painfully grew through his eyes. Because of the mercy of the man, he finally felt relief. Wishing to return the favor, he invited the man to visit his parents on New Year's Eve. The man was met with a great feast and riches as a reward.

ZASHIKI WARASHI

In the Tohoku region, Zashiki warashi reside in some houses. Childlike in appearance, while dwelling in a home, they bring prosperity, but should they leave, the family fortunes will decline. Though rarely seen, even by the master of the house, their presence is recognized by mysterious noises in the night. When you are sleeping and you mysteriously change positions, or if your pillow is turned over, this might be Zashiki warashi. When they do appear, however, it is because they are already leaving the house. There are many stories of a family suddenly spotting an unknown child in their house, only to be followed by ruin and poverty.

Although originally a house spirit, in the summer of 1910, a Zashiki warashi was said to have appeared in an elementary school in Tsuchibuchi, Tono (modern-day Tono city). Only visible to the first graders, the children would say "there is a little boy standing right there!" But any of the older children or teachers could not see the mysterious yokai.

There are variations of Zashiki warashi. The splendid Chipirako are said to bring the greatest fortune, while the Usutsukiko and Notabariko are said to be the lower class of the species.

KENMUN

Kenmun are a species of Kappa on the Amami Islands of Kagoshima. Also known as Kenmon, they are similar to the Kijimuna of Okinawa and live in banyan trees. They have an oil-filled dish in their Kappa-like heads. At night, they light fires in the oil and go to the shore. But if they spill the oil, they die. Kenmun are sumo fans and will immediately challenge anyone they meet to a friendly match. They have sharp eyes and a red face but otherwise don't look much different from a human six-year-old.

There are many Kenmun on Kakeromajima Island. There is a story told of an old man who could summon them and would show them to children. When people were evacuated to Kakeromajima during World War II, many reported having encounters with prankster Kenmun, even though they couldn't see them. When people took shelter under trees during air raids, the broth they had made for lunch would be gone when they returned. Some say Kenmun are deities that traveled to the islands from the south.

AKANAME

An Edo period book, *Kokin Hyakumonogatari Hyoban*, tells of a creature called Akaneburi that is probably the same as Akaname who sneak into dirty bathrooms at night and lick the scum off unwashed bathtubs. Even though this is all they do, Akaname are unwelcome in homes. In order to keep them out, bathtubs must be kept clean. Telling someone an Akaname is coming is a surefire way to get them to clean the bath.

In this way, Akaname serve as a cautionary tale. In the olden days, bathtubs were made of wood and did not get much sunlight. The wood got slippery and inhabited by snails and frogs. Toilets and bathrooms were considered the most likely place for yokai to dwell. Growing up as a country boy, I was afraid to take baths because of this.

Forces of Nature

EDWARD STEED

The arrival of the greatest single panel cartoonist since Charles Addams

One swing trapeze artist prepares to receive a newborn child from another all the while shrieking "Support the head!" A hopeful, naked Adam reaches high for the largest leaf while a frustrated Eve hands him a smaller, more-appropriately sized leaf. A dejected squid stands in a doorway, shock and dismay on his face, as a ruined surprise party lies in wait before him—guests, presents, and birthday cake covered in a blast of ink in mid-"Sur..." as loose balloons butt against the ceiling.

Once in generation, a distinctly new perspective emerges from the pages of *The New Yorker*. In our times, that perspective belongs to Ed Steed. Steeped in the classic formalist tradition of the single-panel gag, Steed possesses a shocking and macabre talent for drawings guaranteed to make even the most composed of casual readers laugh out loud. At times reminiscent of Charles Addams, George Booth, William Steig, Saul Steinberg, and Edward Gorey, the artist defies the blasé, urbanite's worldview of the magazine in which his comics appear.

If anyone has described a *New Yorker* cartoon to you at a cocktail party recently it is almost certainly a "Steed." *Forces of Nature* is the first of what promises to be many award-winning collections by this young man with an old cartooning soul.

Praise for *Forces of Nature*

"Edward Steed is a cartoon genius who has created his own comic world. His cartoons are creepy and hilarious. The best." **—Roz Chast**

"*Forces of Nature* is a book you will read/look at regularly for the rest of your life, to renew your faith in art—or just to laugh, or both." **—Liana Finck**

"Nobody is doing funny cartoons better than Steed. I can't get enough of his unique, strange, dark, silly world." **—Tom Gauld**

"I met Steed years ago at a fancy *New Yorker* cocktail party. He was the one person who seemed even more ill at ease than me, and I instantly liked his beautiful, funny, scratchy cartoons even more than I already did." **—Adrian Tomine**

Dog Days

KEUM SUK GENDRY-KIM

The critically-acclaimed and multi-award-winning author of *Grass* and *The Naked Tree* returns with her first foray into contemporary autofiction

Yuna never wanted to adopt a dog. But with her partner in mourning–and in desperate need of a boost in morale–she gives in to his humble request. And in the grand tradition of reluctant pet owners, she and their puppy soon become inseparable. The young couple even goes so far as to relocate to soothe their new canine pal's anxiety. After all, there's nothing like a move to the country to set yourself right. Right?

The idyll of a quiet life soon gives way to a surprising degree of antagonism, including clashes with long-time local residents of a different generation. The culture shock is palpable for all three urban transplants as the isolation of their new environs starts to sink in. They eventually adopt another dog, and still another–all while reckoning with the ups and downs of middle-age and childlessness in an unforgivingly traditional milieu.

Dog Days is critically-acclaimed and multi-award-winning cartoonist Keum Suk Gendry-Kim's first foray into contemporary fiction. With the aid of veteran translator Janet Hong, Gendry-Kim's twenty-first century tale of an unconventional family building trust with one another and their neighbors is a heartfelt exploration of compassion and the unlikely places we find the love we all need.

MY TIME MACHINE

By Carol Lay

ISBN 978-1-68396-998-3
$24.99 / HC / 168 pgs / FC / 7.5" × 10.5"

After finding the blueprints to the Time Traveler of H.G. Wells' novel, a middle-aged woman constructs a (more or less) functioning time machine and decides to save humanity from itself. She heads into the future, encountering ecological collapse and an America that has devolved into full-blown totalitarianism. *My Time Machine* is both a sly, cautionary political satire and a rollicking time travel story, full of edge-of-your-seat suspense, breezy badinage, and a deeply felt wonder at the universe. It is serious and funny, timely and timeless (literally).

Celebrated Spanish comics artist Laura Pérez (*Totem*) presents another entrancing vision of magic and mystery. LEAKED FILES REVEAL FINANCIAL NETWORK USING AMERICAN NONPROFITS TO PUSH CHINESE PROPAGAND

WHY A U.S. GENERAL WARNS WAR WITH CHINA POSSIBLE IN LESS THAN FIVE YEARS

from: August.Patel@pythia_consultant.com

subject: Re: Security risks

Mr. Goodman has to understand the differences between Chinese and American spycraft. Firstly, Chinese espionage is corporate espionage – spying not on American governments but corporations – because of (1) China's expanding role as a financial superpower, and (2) that being where a country's true political will lies.

There's actually little overlap between Chinese and Western espionage. For one, the Chinese don't pay for intelligence. They believe people would never knowingly commit espionage, but would instead be indiscreet under the right circumstances.

China is not looking to recruit spies as much as "good people" willing to gossip and help China modernize. And with the unfettered travel back and forth into China, these gossips are recruited by China's top spy agency, the Ministry of State Security (MSS) while visiting the country.

Paul Moore, the former senior China analyst for the FBI, uses

…the analogy of "a thousand grains of sand" to describe Chinese espionage.
For example, if Russians wanted to steal sand from a beach, they'd send a few elite frogmen at night.

China, however, would send a thousand tourists mid-day.
That thousand would return, shaking out their towels until they produced more sand than the Russian frogmen.

SO WHAT'S ED [redacted] ABOUT?
OH, SOME GLITCH IN THE SURVEILLANCE ON THE B-3 STEALTH BOMBER…
Chinese spies aren't 007s – they're regular people getting someone to share **three** facts when they should only share **two**.

They then **report** those morsels back to China with each visit.
But… what happens when that process goes **wrong?**

FRANCESCO MATTINA

Sir Charles Ward, "The Dragon Butcher," has achieved knighthood, acclaim, and is leading a legion of royal warriors on a noble mission, yet his self-doubt and grief haunt him. Venturing to a mysterious island in the Far East, Charles leads his diverse assembly of fighters (including a giant and two clerics) to seek vengeance against savage monsters who ambushed a group of English missionaries. Arrival on the island reveals that the truth may be drastically different from what Charles was led to believe, and the "savage monsters" he will face are actually a regiment of skillful warriors the likes of which he has never seen.

Note from writer **DAVID DASTMALCHIAN**: Seeing the way **FEDERICO MELE** has brought these characters from both England and Japan to stunning life as they face off with all manner of Western and Eastern mythological creatures has been an incredible experience. Under the guidance of the great **TODD McFARLANE**, this journey of magic, warfare, and a search for the truth has been a dream come true. Thanks to my consultant, **THERSA MATSUURA** (of ***Uncanny Japan***), we will be showing a clash and connection between feudal England and feudal Japan that has never been seen before.

ETO... CHERT...

CHERRRR...

LONDON HOME OF MARIA ALEXANDROVNA, GRAND DUCHESS OF RUSSIA.
...THE *LABYNKYRSKY CHERT*, THEY CALL IT. THE DEVIL IN THE LAKE.
AND YOUR FRIEND WENT IN SEARCH OF THIS LAKE MONSTER?
WITH HER HUSBAND, YES. THEY--
--NO, NO, NOT THE RASPBERRY! I WANTED THE STRAWBERRY BISCUITS. HAVE COOK PREPARE A NEW TRAY.
AT ONCE, YOUR HIGHNESS.
THIS ALL STARTED, YOU SEE, WHEN ONE OF THE LOCAL FOLK FOUND A FOSSIL BY THE LAKE SHORE, A GIANT TOOTH OVER A FOOT LONG. ONLY IT TURNED OUT NOT TO BE A FOSSIL AT ALL.
THE RUSSIAN IMPERIAL UNIVERSITY TESTED IT AND DISCOVERED IT WAS ONLY A FEW YEARS OLD. THE SCIENTISTS WERE ALL ABUZZ.
AN UNDISCOVERED SPECIES, THEY CONJECTURED, POSSIBLY FROM THE PREHISTORIC AGE, SURVIVING FOR MILLENNIA IN THIS REMOTE AND ISOLATED BODY OF WATER!
IMAGINE IT! A LIVING DINOSAUR! IT WOULD EXPLAIN ALL THE LEGENDS AND RUMORS OF A MONSTER IN THE LAKE. THE UNIVERSITY BEGAN PLANNING AN EXPEDITION RIGHT AWAY, TO SEARCH THE LAKE FOR MORE EVIDENCE OF THESE CREATURES.
MY FRIEND ELIZABETH FAIRFIELD, MRS. OWEN NOW, HER HUSBAND IS A PALEONTOLOGIST HERE AT CAMBRIDGE. WHEN HE HEARD THE NEWS, WELL, NAUGHT WOULD DO BUT HE MUST TAKE PART IN THAT EXPEDITION.
SO ELIZABETH CONTACTED ME, AND I CONTACTED THE IMPERIAL UNIVERSITY. I ARRANGED FOR THEM TO JOIN THE EXPEDITION, AND THEY BROUGHT THEIR SON ALONG, A LITTLE BOY OF ONLY EIGHT YEARS.
THEY TREATED IT LIKE A HOLIDAY, A HARMLESS ADVENTURE. I DON'T THINK ANYONE BELIEVED THEY WOULD FIND AN ACTUAL DINOSAUR.
BUT THEY DID? THEY FOUND SOME KIND OF CREATURE IN THE LAKE?
NO ONE KNOWS WHAT THEY FOUND. A FEW DAYS AGO, ELIZABETH'S MOTHER CAME TO ME IN TEARS. SHE'D HAD A DREAM, SHE SAID, A PREMONITION.
SHE MUST HAVE SPENT TOO MANY YEARS IN RUSSIA. SHE WAS MY GOVERNESS, YOU KNOW, MY ENGLISH GOVERNESS. SHE USED TO SCOFF AT ALL OUR LITTLE STORIES.
ELIZABETH AND I WERE THE ONLY GIRLS IN THE HOUSEHOLD, AND MY BROTHERS WOULD TEASE US ENDLESSLY, FRIGHTENING US HALF TO DEATH WITH TALES OF THE *LESHY* IN THE GARDENS AND THE *DOMOVOI* HIDING UNDER THE BED.
MRS. FAIRFIELD ALWAYS SAID THEY WERE JUST SILLY RUSSIAN SUPERSTITIONS.
BUT NOW HERE SHE WAS, SPEAKING OF DREAMS AND PREMONITIONS! SHE WAS CONVINCED SOMETHING HORRIBLE HAD HAPPENED TO HER DAUGHTER.

SO I REACHED OUT TO THE UNIVERSITY, JUST TO ALLAY HER FEARS, I THOUGHT. BUT THEY SAID THEY HADN'T HEARD FROM THE EXPEDITION IN WEEKS!
THEY HAD BEEN SENDING REPORTS EVERY DAY, USING ONE OF THOSE AIR TELEGRAPH DEVICES. BUT THEN ONE DAY, ALL COMMUNICATION SUDDENLY STOPPED.
THE UNIVERSITY WANTED TO SEND A SEARCH PARTY, BUT THE LAKE IS IN A VERY REMOTE LOCATION, ACCESSIBLE ONLY BY LAND, THROUGH MOUNTAIN PASSES WHERE THERE ARE NO ROADS.
WITH WINTER COMING, THE JOURNEY WOULD BE TOO DIFFICULT AND TOO DANGEROUS.
BUT NOT FOR YOU.
ELIZABETH IS MY OLDEST AND DEAREST FRIEND IN THE WORLD! WE GREW UP TOGETHER, LIKE SISTERS. I WOULD BE DEVASTATED IF ANYTHING HAPPENED TO HER!
LADY MECHANIKA, YOU ARE A RENOWNED EXPERT IN SUCH AFFAIRS, PARTICULARLY IN HUNTING MONSTERS.
IF ANYONE CAN FIND AND RESCUE HER, IT IS YOU!
I SHALL DO MY BEST, YOUR HIGHNESS, BUT YOU MUST UNDERSTAND...
IF THERE IS SOME KIND OF MONSTER IN THAT LAKE, I'M SORRY TO SAY BUT IT MAY ALREADY BE TOO LATE.
I UNDERSTAND. I PRAY THAT IS NOT SO, BUT IF IT IS, THEN YOU MUST AVENGE HER! FIND THE CREATURE AND DESTROY IT!
I'VE HIRED A GUIDE WHO CAN TAKE YOU TO THE LAKE, AND TWO OF MY OWN IMPERIAL GUARDS WILL ACCOMPANY YOU. I'VE ALREADY TAKEN CARE OF ALL THE ARRANGEMENTS.
YOU USUALLY WORK WITH A PARTNER, DO YOU NOT? I ASSUME HE WILL BE ACCOMPANYING YOU AS WELL?
ACTUALLY, I DON'T THINK MR. LEWIS WILL BE COMING ON THIS TRIP, NO.
WHY EVER NOT? I MUST SAY, I WOULD FEEL MORE COMFORTABLE IF THERE WERE TWO MONSTER EXPERTS ON THE JOB.
IT...IT'S COMPLICATED...

SIBERIA.
DEVUSHKA...
HERE. FOR YOU.
OH! MY HANDS DON'T NEED...
VERY, VERY COLD OUTSIDE.
THANK YOU. SPASIBO.

THE TIN CAN SOCIETY #1 (OF 9)

MINISERIES PREMIERE

The first stunning issue of a brand-new miniseries from Giant Generator showcasing the first graphic novel work by screenwriter and incredible talent **PETER WARREN** (***The Incal*** feature film, ***Kill Me***) with jaw-dropping art by **FRANCESCO MOBILI** (***X-Men***, **SCUMBAG**) and beautifully colored by **CHRIS CHUCKRY** (***New X-Men***, ***Gen 13***).

Johnny Moore is a world-famous tech mogul known as much for his work pioneering mobility aids for people with disabilities (like himself) as he is for moonlighting as the metal-suited vigilante, CALIBURN. But when Johnny is found murdered and his suit stolen, his estranged childhood best friends reunite to solve the mystery of his murder.

THE TIN CAN SOCIETY is a heartfelt and human look at the evolution of friendships across a lifetime, at disability and ableism, and the destructive power of fame.

In the borderlands between imagination and reality, horror and fantasy, master storyteller Cullen Bunn (*The Sixth Gun*, *Harrow County*) and visionary artist Christopher Mitten (*Hellboy & the B.P.R.D.*) begin one family's labyrinthine descent through a perilous forest where the local folklore is anything but a myth . . .

Bestselling author Andrew Kier found the perfect place to finish his latest dark-fantasy novel—an idyllic, remote cabin on the edge of a lush Swedish forest. His young daughters, Sommer and Winter, gleefully explore . . . until they happen upon a strange clearing of ancient statues: goblins, dwarves, elves, and a warrior queen mysteriously missing her swordhand and weapon. When something sinister follows the girls home and viciously snatches their parents in the night, the sisters' only hope may be that ancient relic, lost in the forest underbrush, waiting for a new champion to take it up . . .

And...
We're...
FINISHED!

Ahhhhh! No more stupid rules!

I can finally wear low-cut tops without having to worry about detentions. Booty shorts, too...

I like your priorities.
I focus on the real issues.

Speaking of real issues...

I'm thinking of asking my step-dad if we can use his cottage for a few days after the prom.
Where is it?

About an hour east.
I guess I could ask my boss for a few days off.

And I am just going to quit.

Emily, do you think your mom would let you take the van?
Are you crazy?

Come on!
We'd be able to fit everyone in. It'd be perfect!

My parents have one, too. They'll let me have it, no problem.

Cool!

WHEN TO PICK A POMEGRANATE

by Yasmeen Abedifard

OGN
Mature Readers

In this collection of contemplative and cathartic short comics, the pomegranate Anar and the woman Guli exist as reflections of each other — repellent to one another and yet inexorably drawn together once more.

As they evolve through each story, proceeding through the stages of the plant life cycle, they take on new roles: muse and artist, gardener and seed, lover and fruit. The iterations reveal new revelations, exploring the themes of shame, grief, destiny, and survival at each turn. Abedifard's comic form evokes Persianate storytelling and draws on stylistic elements found in illuminated manuscripts, building an experience as rich and complex as the taste of pomegranate on one's tongue.

"Yasmeen Abedifard does the impossible — using her mastery of form, she melts together seemingly firm panel structures with rich visuals and sparse narrative so visceral, so intimate, it rips open the casual cruelty of every day, making you feel as though the story was actually pulled from the corners of your guilty soul — she does this, and makes it look like a breeze."

From a multiple-award-winning cartoonist, Noah Van Sciver, comes Maple Terrace, a new autobiographical graphic novel. Based on the author's childhood, Maple Terrace unfolds a tale of big money comic-collecting craze of the early 90s as seen from the ground floor. In a time when superheroes were oversized, adorned with massive guns, and countless pouches, comic books were currency! Young investors struggled to collect every cover gimmick under the sun—embossed-metallic ink-holographic foil—hoping they someday would pay for their college education. Brutally hilarious, Maple Terrace shines a light on the strange intersection between poverty and speculative comic book craze of the 90s.

A teenager in 1945 is suffocated by post- WWII nationalism. A tireless doctor in 1955 desperately tries to find the origin of a new illness. Though these two people are living seemingly disparate lives, decades apart, they will come to understand that their fates are irrevocably intertwined by a rare, horrifying sickness and an enigmatic figure who follows wherever they go. He is known only as The Man. Confined within their eras, they each race against time to escape The Man and find a cure before The Sickness collapses their worlds.

This rich and disturbing comic spans four decades of American history to serve as a reminder that the terrors of yesterday are the terrors of today. A sprawling, ambitious, and genre-bending work exploring the socio-political strife that shaped the nation. It's the crossbreed of I Love Lucy-era pop culture and bizarre body horror in a historical horror epic.
